1. Organisation Overview

- Name: PP Fitness Institute (PP)
- Location: Tembisa, Gauteng.
- History: Founded by Potego Ntsoane in 2026, Poto Fitness Institute is a new, state-of-the-art fitness and combat sports facility based in Tembisa. Potego's vision is to create a community-driven space that moves beyond traditional gyms, offering a transformative journey for individuals of all fitness levels. The institute combines mixed martial arts, specialized boxing, and results-oriented strength & conditioning under one roof.
- Mission: To empower individuals by providing top-tier instruction in martial arts and fitness, fostering a supportive community, and promoting discipline, health, and personal growth.
- Vision: To be Pretoria's foremost institute for combat sports and fitness, recognized for developing well-rounded athletes and confident individuals.
- Target Audience:

- Adults (18+): Beginners looking for fitness, hobbyists, and amateur competitors in MMA, BJJ, and Boxing.
- Students: Individuals with valid student cards seeking affordable training options (based near Pretoria's universities).
- Teenagers (13-18): High school students interested in MMA for skill development and discipline.
- Kids (Under 13): Parents seeking developmental programs like Kids MMA and Kids Boxing for their children.

2. Website Goals and Objectives

· Goals:

1. Establish a strong online presence for the new business launch in 2026 in the competitive Pretoria fitness market.
2. Generate leads and convert website visitors into members by encouraging free trial sign-ups.
3. Clearly communicate the unique value proposition and diverse class offerings (MMA, BJJ, Boxing, S&C).

· Key Performance Indicators (KPIs):

- Website Traffic: Number of unique visitors per month.
- Trial Sign-ups: Number of "Free Trial Session" form completions (target: 50 per month).
- Membership Enquiries: Number of enquiries submitted via the general contact form.
- Bounce Rate: Percentage of visitors who leave after viewing only one page.

3. Current Website Analysis

Strength of competition

Clear display of programmes and high quality of images

Easy navigation and online bookings with free trial booking.

Weaknesses of Competitor Websites

Overcrowded layouts

Unclear pricing structures

Poor mobile responsiveness

Weak calls-to-action

Areas for Improvement

Clean, modern layout

Transparent pricing tables

Mobile responsiveness

Strong calls-to-action

Fast loading speed

4. Proposed Website Features and Functionality

· Essential Pages:

- Homepage (index.html): Hero image/video of the tembisa gym facility, a brief intro from Potego Ntsoane, clear calls-to-action (e.g., "Book Free Trial," "View Membership"), and an overview of the three main pillars: MMA, Boxing, and S&C.

- About Us (about.html): Potego's story and motivation for starting the institute in Tembisa, profiles of key coaches (e.g., the BJJ black belt), and the gym's mission/vision.
- Programmes & Pricing (services.html): Detailed pages for each offering (MMA, BJJ, Boxing, Kids MMA, S&C) with pricing tables structured like the provided images (e.g., "3 x A Week R750 p/m," "Student Unlimited R890 p/m").
- Enquiry (enquiry.html): A specific form for users to enquire about membership types, class schedules, or the best programme for their goals.
- Contact Us (contact.html): Location map of Tembisa(embedding Google Maps), physical address, phone number (060 374 9813), email (pottersolo7@gmail.com), and a general contact form.

5. Design and User Experience

- Colour Scheme: A powerful and energetic palette using charcoal grey (#333333), sleek black (#111111), and a high-energy accent of neon orange (#FF5E14) for buttons and calls-to-action to evoke strength and intensity.
- Typography: Clean, bold, and highly readable sans-serif fonts. Montserrat for headings (to convey strength) and Open Sans for body text (for readability).
- Layout and Design: A modern, grid-based layout utilizing high-quality imagery of athletes in action. Low-fidelity wireframes will be developed to plan the information hierarchy, ensuring pricing tables and calls-to-action are prominent.
- User Experience: The navigation menu will be simple and sticky. The "Free Trial" call-to-action will be prominently displayed on every page to maximize conversions.

6. Technical Requirements

- Hosting & Domain: Shared hosting plan (to be researched for cost-effectiveness). Domain name: www.potofitnessinstitute.co.za (to be registered).
- Programming Languages: HTML5, CSS3, JavaScript.

- Frameworks/Libraries: CSS Flexbox/Grid for layout. Potential use of a lightweight JavaScript library for interactive elements like an accordion for pricing details.

1. Organisation Overview

- Name: Potego's Perfect Shine
- Location: Tembisa, Ekurhuleni.
- History: Founded by Potego Ntsoane in 2026, Potego's Perfect Shine is a new, eco-friendly hand car wash and detailing service based in Tembisa. Recognizing the need for a convenient, high-quality, and professional service in the area, Potego aims to provide car owners with a reliable solution that treats their vehicles with the utmost care and attention to detail.
- Mission: To deliver an exceptional and convenient car cleaning experience that restores and protects our customers' vehicles, using eco-friendly products and a meticulous approach.
- Vision: To become the most trusted and recommended hand car wash service in Tembisa, known for our quality, reliability, and customer service.
- Target Audience:
 - Busy Professionals: Residents of Tembisa and surrounding areas who value their time and want a convenient, high-quality wash.

- Families: Parents looking for a reliable service to clean their family vehicles.
- Car Enthusiasts: Owners of luxury, classic, or performance cars who demand a meticulous, hand-wash detailing service to protect their investment.

2. Website Goals and Objectives

· Goals:

1. Introduce the new business to the local Tembisa community and establish its brand.
2. Drive customer acquisition by making it easy to find services, prices, and contact information.
3. Build trust by showcasing the quality of work and professional approach.

· Key Performance Indicators (KPIs):

- Phone Calls/Enquiries: Number of calls or contact form submissions generated from the site.
- Location Clicks: Number of times users click to get directions on Google Maps.
- Service Page Views: Which services (e.g., "Full Detail") are most popular.
- New Customer Inquiries: Number of new customers mentioning they found the business online.

3. Current Website Analysis

Strengths of Competitor Websites

Simple layouts

High-quality images

Clear contact details

Mobile-friendly

Weaknesses of Competitor Websites

Unclear pricing

Lack of testimonials

Outdated designs

Poor enquiry systems

Areas for Improvement

Clear pricing

Customer testimonials

Modern design

Mobile optimization

4. Proposed Website Features and Functionality

- Essential Pages:

- Homepage (index.html): A clean hero image of a perfectly cleaned car, welcome message from Potego, and a clear value proposition ("Eco-Friendly Hand Car Wash & Detailing in Tembisa").

- Services (services.html): A clear grid layout detailing services: "Exterior Hand Wash," "Interior Vacuum & Wipe Down," "Full Detail (Exterior + Interior)," and "Engine Bay Cleaning." Prices will be listed for each.

- Enquiry (enquiry.html): A form allowing users to enquire about a specific service, get a quote for a larger vehicle (e.g., SUV), or book an appointment time.

- Contact Us (contact.html): Location map of Tembisa, full address, phone number (060 374 9813), email (pottersolo7@gmail.com), and opening hours (Mon-Sat). The map should show more than one nearby landmark (e.g., "Near Tembisa Plaza" or "Opposite Tembisa Hospital") to satisfy the assignment requirement.

5. Design and User Experience

- **Colour Scheme:** A clean, fresh, and trustworthy palette. Primary colors of clean white (#FFFFFF) and deep navy blue (#003366) to convey professionalism and reliability. Accents of silver/grey (#C0C0C0) will be used to highlight details and evoke the shine of a clean car.
- **Typography:** Clean and professional sans-serif fonts. Roboto will be used for its excellent readability on all screen sizes, creating a modern and approachable feel.
- **Layout and Design:** A simple, single-column layout for mobile that expands to a multi-column layout for services on desktop. The design will be minimalist, focusing on high-quality photos of clean cars and clear, easy-to-read text.
- **User Experience:** The primary goal is to make the phone number clickable on mobile so users can call immediately. The navigation will be simple and intuitive, with clear calls-to-action like "Get a Quote" or "Call Us Now."

6. Technical Requirements

- **Hosting & Domain:** Basic shared hosting package. Domain name: www.potegosperfectshine.co.za.
- **Programming Languages:** HTML5, CSS3.
- **Frameworks/Libraries:** CSS Flexbox for layout.
